

Have

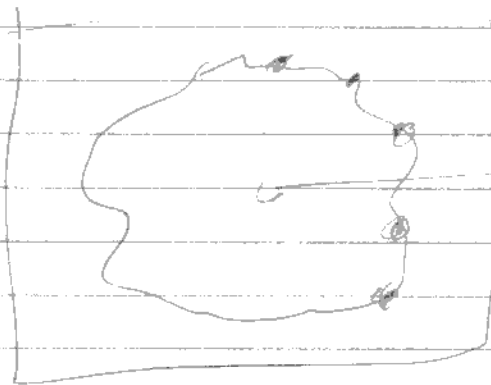

memory key

memory space or extent

Program key

Program space or extent

interesting patterns will form  
with interesting patterns of building  
blocks

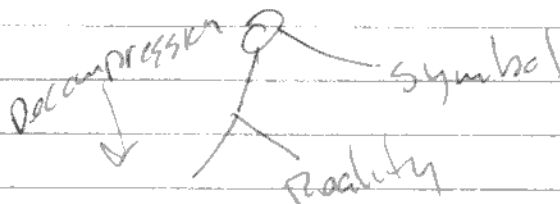

sweep of time

Patterns.

Just have to be sure an  
outcome is reached w/ enough  
inputs / compute

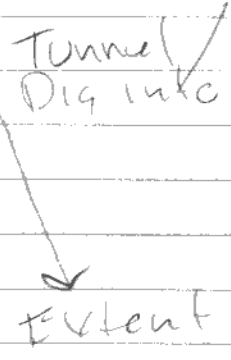

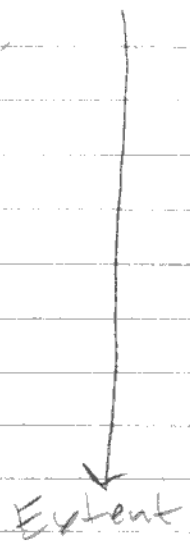

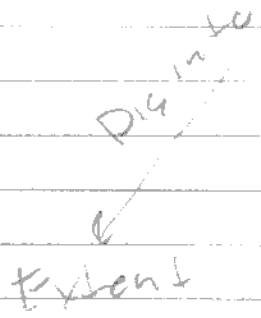

Decompression

Mirror  
Other  
Logic

Something

Single trickle of  
time - to single  
compute core

Decompresses to  
full reality

---

what forces structure?
